

# Conference Proceedings of Science and Technology

---

## Call for Proceedings – ICOMAA 2019

Conference Proceedings of Science and Technology is a fully peer-reviewed, open access, electronic-only journal that publishes original, high-quality proceedings on topics related to all areas on Mathematics.

The journal provides the readers with free, instant, and permanent access to all content worldwide; and the authors with extensive promotion of published proceedings, long-term preservation, no space constraints and immediate publication.

- **ISSN:** 2651-544X
- **Owner:** Murat Tosun
- **Home page:** <http://dergipark.gov.tr/cpost>

### Guest Editors:

**Necip Şimşek**, İstanbul Commerce University

**Yusuf Zeren**, Yıldız Technical University

**Şuayip Toprakseven**, Artvin Çoruh University

### DESCRIPTION

The main aim of this conference is to promote, encourage, and bring together researchers in the different fields of Mathematics by providing a forum for the academic exchange of ideas and recent research works. The conference will present new results and future challenges in Mathematical Sciences and Applications. Additionally, the conference will consist of, in series of keynote lectures, contributed short talks, and poster presentations. The presentations will be given in English

### HOW TO SUBMIT

Before submission authors should carefully read the Instruction for Authors, available online at: <http://dergipark.gov.tr/cpost/writing-rules>

Manuscripts should be written in LATEX.

**For an initial submission, the authors are strongly advised to upload their entire manuscript, including tables and figures, as a single PDF file.**

Authors are recommended to submit the final version of the paper using the journal's [CPOST LATEX template](#).

All submissions must be made electronically via **online submission system** Editorial Manager (<http://dergipark.gov.tr/cpost>) and will undergo the standard peer-review process (single blind, at least two independent reviews).

Contributors will benefit from:

- fair and constructive peer review provided by experts in the field
- **no space constraints**
- convenient, web-based paper submission and tracking system – Editorial Manager
- **fast online publication** upon completing the publishing process
- better visibility due to **Open Access**
- **long-term preservation** of the content (articles archived in Portico)

**The deadline for submissions to the proceedings is 10 August, 2019 (publication in 15 September 2019).**

Individual papers will be reviewed and published online on an ongoing basis.

We are looking forward to your submission!
